To Central's Dead

Short days ago you roamed this hall,
But when you heard your country's call
You left.

You donned the khaki and the blue
And over earth you marched or flew
Or sailed.

And when the fatal hour drew nigh
You did not cringe or wish to cry,
You stuck.

You blasted the Hun from everywhere
And gallantly in odds unfair
You died.

Your sacrifice has spurned us on,
Others will go where you have gone
To win.

A better world, yes, you have made,
But for it dearly you have paid
The Price of Victory.

Foreword

THE FOURTH class to graduate from Central High School during the present World Conflict sees some brightening of the horizon. Recent victories and the ever-growing power of the United Nations give promise that though the struggle may be hard and long, the final outcome is no longer in doubt.

Graduation from High School is one of life's high points. Young people with abundant energy and high hopes look forward to future achievements. At no time was this more true than now. Many of this year's graduating class are looking forward with eager anticipation to joining their comrades of former years in the Navy, the Army or the Air Force. Others are planning further training in University that they may render greater service to their country in the war effort or in the

difficult problems of peace. Still others will find their places in the essential work which must be done on the home front.

Conditions facing High School students during these war years have not been easy. Some activities, dear to the hearts of students, have been curtailed or eliminated. Senior Rugby and Inter-School Hockey have been greatly missed in the current year. New demands have been made on the students' time and also on their spending money. The long range view, that the best service a student can render to his country and to himself is diligent application to the school work of the day, is hard to get and harder to maintain.

It is therefore with a feeling of pride and satisfaction that I recall how our students have responded to every request to purchase War Savings Stamps and to each war time appeal for service.

Those who are leaving Central High School this year, go with our best wishes for their continued success, while those who remain will endeavor to maintain the worthy traditions which have been built up through the years.

Valedictory

THIS IS the end of the beginning. Upon graduation we look back upon our years at Central, our school, steeped in a tradition that has long stood for the highest attainment in scholastic awards. Central has given the community many outstanding scholars and many worthy citizens. Through association with our teachers and with each other in the classroom and in clubs, teamwork and co-operation have gained a new meaning for us. Work in Hi-Y, Students' Council, and other clubs has laid the foundation for upright active citizenship. We have surmounted the first great hurdle in life with a feeling of accomplishment and satisfaction. Now, defeats and triumphs in the school and on the field have become nostalgic memories. Now we go forth into a new life of responsibility, carrying triumphantly aloft Central's torch of "Lux Sit"—"Let there be light".

Have we ever stopped to think about the demands and opportunities which lie before us? We are not the slaves of the past or the future. Today is ours to prove our birthright. The world conditions are a challenge to the best that humanity can offer. Over three hundred young men and women of Central have gone forth to fight in the name of Freedom—some have made the supreme sacrifice. They have a great advantage over the youth who have fought in other ages. They know what they are fighting for—fighting not only for their lives, but for a way of life for all democracy, and the freedom of all men.

"If our country is worth dying for in time of war, let us resolve that it is truly worth living for in time of peace".

We must win Freedom and Peace for the peoples of the world. But what will be even more difficult we must maintain and administer this peace justly if democracy is to stand triumphant. Let us stand upon the experience of others and benefit from their mistakes—for they were the pioneers in democracy. Our country has many potentialities; it is a country of great national wealth, but a nation is made great, not by this wealth alone but by the men and women who develop it and live in it. We are the coming citizens, and, knowing the rights of man, we must carry on the torch of liberty which spells the doom of all oppression. Let us hold high this standard of liberty and be inspired by these lines—

"Oh; man of Canada! your mighty land,
By freedom founded and for freedom planned,
Free shall remain! But only at the price
Of your devotion and your sacrifice".

—PAT DREW.

Valedictory

GRADUATION DAY—A chapter of life is finished. The world that man has made is soon to receive us, for better or worse.

There is an urge in human nature that compels all men to look forward, to hope, to plan, to build their castles in the air. But in spite of that powerful force, today we must for a brief space, as brief perhaps as this valedictory, take one backward look—though that glimpse may bow our heads in deep humility.

We see ourselves as we were on that first day in C.C.I. . . . Proud? Well rather . . . Grown up? Who would dare dispute our wisdom, our maturity? And three years ahead of us, packed with thrills. At the end, the certainty of matriculation or whatever we had planned. Do your best old C.C.I. or your worst—but give us a good time. We expect to do a little work, not enough to give us any discomfort, for at all costs we must be happy, so spare the drudgery and give us plenty of entertainment.

Now what have these three years brought us? Oh, yes, we have been happy. We have had the joy of friendship, of contact with each other through thick and thin, through good and—we blush—through evil. We have enjoyed—not always as much as we should—the contacts with our teachers, who, now and then, provoked us into serious thinking and who, throughout our stay here, have shown a personal interest in our welfare. Thank you, staff of C.C.I. and you too, comrades, who have come with us to this day, which marks the parting of the ways.

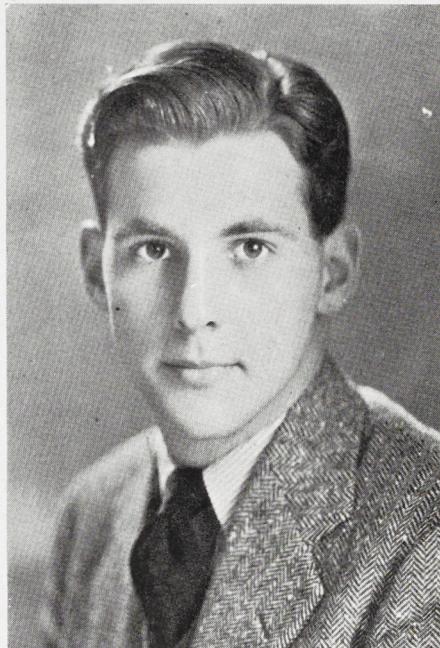

Today, too, on looking back, we see that we have gained an understanding of many things. We have an awareness of this world we live in, and of the part we play in solving its problems. We know it will make large demands on the youth it will soon absorb into its tempestuous life.

As we leave this old familiar place, the memory that will perhaps live longest with us is that of our comrades, Seniors when we were Juniors, who are now serving our King and our Country. Especially do we remember those who have given their lives in this world-shattering struggle. As long as we live we shall remember them. Lux Sit was their motto as it is ours.

Now our work, too, is close at hand. May our deeds speak for us and show us worthy of our motto. Lux Sit—Let there be light. Whether we serve in the Armed Forces or in a World at Peace, let us remember it.

Sons of the Empire forget it not! There are such things as love, honour and the soul of man which cannot be bought with a price, nor die with death.

In Appreciation

A NOTHER ANALECTA is completed; the Staff and I trust it will meet with your approval. Not only has it been a privilege to work with and for you students during these past few months, but the task has at the same time afforded me great pleasure. Your contribution, however small it may have seemed, was nevertheless essential to the success of the book. The interest you've shown, even if only a casual "How's the Analecta coming, Walter?" was appreciated at all times. To the Analecta Staff, always friendly, loyal and co-operative — my sincerest thanks. To Mr. Weir especially, whose untiring efforts and experience proved invaluable throughout the year, I wish to say "Thank you, Sir!"

More than anything else I shall remember the friendship and kindness shown me here at Central. Such fellowship, as one goes through life, is to be valued above everything else.

Whatever your part in the game has been, it will not easily be forgotten. In return, a simple but heart-felt 'thank you' is all I can offer now.

A handwritten signature in cursive script, appearing to read "D. B. Zierst". The signature is fluid and elegant, with a large initial 'D' and 'B' intertwined.

“LATE”

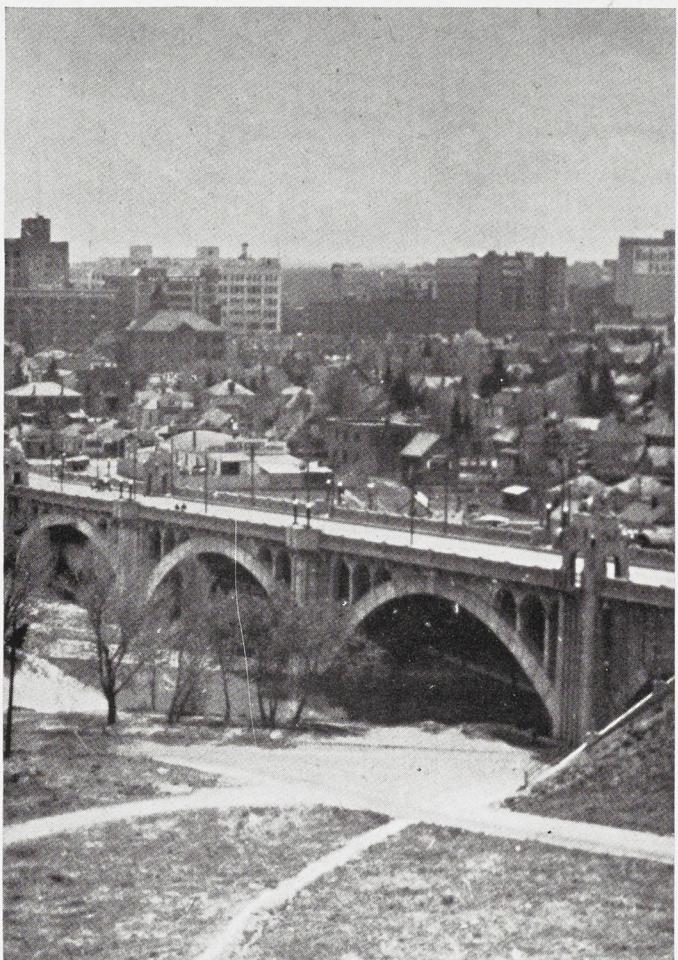

To all who make Jerry “Late Unlamented”

Three little boys went off to school,
Six and seven and eight,
Three little boys stopped off to play,
Three little boys were late.

Three tall youths came to Central High,
Used the fence instead of the gate,
Three tall youths to the office were called
“Why are you always late?”

Three sleek Spitfires roamed the sky,
Six dark Junkers pounced in hate,
A crowded moment, three planes emerge,
And its the Jerries now who are “late”.

—Margery Gorill.

FIFTY CENTS FOR EVERY POEM ACCEPTED

What makes a young man's fancy, lightly turn to thoughts of love?
What makes a sparrow think that he can coo just like a dove?
What makes the life-long bachelor, start stepping out at night?
And what makes spinsters slither on the war paint, thick and bright?
SPRING !

What makes respected gentlemen' go skipping down the street,
Wearing long, red flannel underwear above their big flat feet?
What makes all these Napoleons out of cowhands off the range?
And what makes High School students do their homework—for a change?
INSANITY !

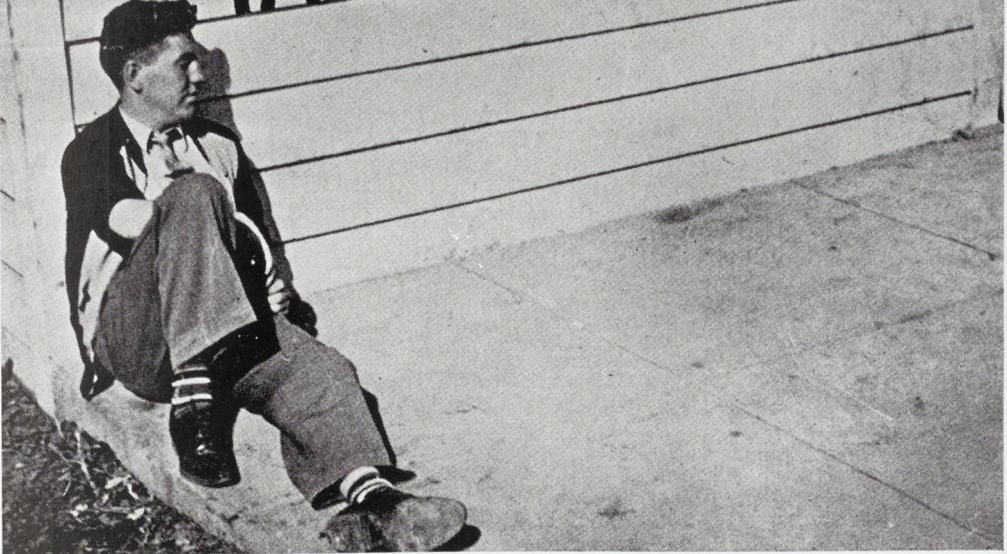

What causes placid ministers to mumble terms profane?
What always spoils a picnic, if there isn't any rain?
What were the things that now remain, as spots upon the wall?
What are so great a nuisance, yet so pesteringly small?
FLIES !

I've answered all these questions, now here's one I dare not miss—
What makes a person want to write, a stupid poem like this?

FIFTY CENTS !

EXECUTIVE:

Top Row—Mr. F. D. Weir, Hon. President; Mr. W. G. E. Pulleyblank, Hon. Vice-President.
Bottom Row—Art Kemsley, President; Margaret Yule, Vice-President; Shirley Woodward, Secretary; Bill Kinney, Treasurer.

Council Highlights

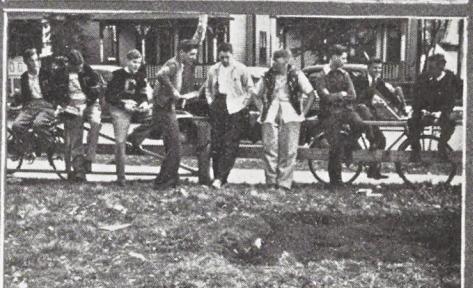

As there was no committee formed last year to organize the Council in the fall, the first meeting was delayed until November sixth. Nominations were taken, and on November tenth, the executive was elected by the members of the Council. The motion to have another school-wide election was vetoed. Immediately, the Christmas Dance was organized, but as most of the members of the committee were working, the main job of organization fell on the President's shoulders.

Besides the Christmas Dance, the Council promoted several well-attended after-four dances, a Talent Festival, two assemblies, and an evening Easter Dance. The assemblies were entertaining as well as functional, and were enjoyed by all.

The Council obtained and presented crests for the Basketball Champions, at the assembly held on May twenty-first.

This year eighteen Miss Canadas, under the competent direction of Jean Mair and Audrey Farnsworth, did a splendid job of selling War Savings Stamps, and the Council sincerely thanks these girls for their excellent work. They also extend a vote of thanks to the Boys' and Girls' Hi-Y Clubs for their co-operation in all activities, and wish the Councils of the future continued success.

Weeper

Eight copies of the Weeper were printed this year and each copy exceeded the other in improvement and in humour. Students of C.C.I. will be interested to know that this paper far exceeds the ordinary school paper because of a very efficient staff and upon the high standard of material printed. Cheap, shoddy material has never been printed.

The staff was ably headed by Ray Selby who did a wonderful job and was responsible with other members of the staff to maintain a high standard. His editorials were crammed with new ideas and were interesting and well written. Features were well presented and different. The Sports page dealt fully with opposing teams and was zippy. Clubs activities were also written up accurately and many new clubs were represented. The humor page was the best for years and none of the jokes exceeded twenty years of age. The subscriptions were large and the students acknowledged that the criticism and praise of school attitude was fair and square.

This is the Weeper's thirteenth year—for C.C.I. First, Last and Always.

Back Row—Phyllis Weir, Betty Bertrand, Margaret Barclay, Kay Strong, Mr. Weir, Betty Moore, Margaret Yule, Gloria Garrett, Donna McKillop, Pat Drew.

Miss Canadas

On December 2nd, 1942, Central began to sell War Savings Stamps on a new plan. Trim Miss Canadas in their bright red aprons were assigned, one to each room, to personally canvass the students, and the response was enthusiastic. Bright posters around the school heralded each "War Stamp Day", and a thermometer scale in the hall pictured the progress of the drive.

On February 10th, Central received one flag, for reaching the total stamp sales of 1941-42, and two pennants for exceeding the amount considerably. On reaching the \$1,000 mark, we were promised another pennant, and on March 17th we went "over the top". That was the day that the flag and pennants flew proudly from the flagpole.

The committee, consisting of Jean Mair and Audrey Farnsworth, takes this opportunity to thank the teachers and students of Central, and the National War Finance Committee for the splendid co-operation and support received from all.

Festival

A major event in the entertainment field at Central this year was the Talent Festival presented in the auditorium on April ninth.

Highlighted by a play by the Dramatics Club and well rounded off by the excellent performances of C.C.I.'s most talented students and the capable displays by the P.T. and music classes, the concert was an unqualified success.

The play "Which", directed by Miss L. Kaulbach, was a smooth comedy with Sylvia Baren and Jack Gemmel in the leading roles. Other members of the excellently characterized cast were Beth McGregor, Margaret Barclay, Jean Patterson, Ruth Corvan, Lois Hill and Mary Lou Moore (see 1, 3, 4, 6).

Under Miss N. James' direction a number of Grade Ten boys and girls in gay red, white and blue costumes presented a medley of national folk dances (5). Joey Phillips designed the costumes (2). Mr. J. Suitor substituted for Mr. L. Goodwin in directing the display of tumbling.

Under the direction of Miss Mary Makar the orchestra played Dvorak's "Humoresque" and Brahms' "Hungarian Dance No. 6". The choir sang three numbers with Jean McFarlane as soloist.

The solo performers, each of whom might have been encored and most of whom obliged with an encore were, Jean Patterson, Barbara Draper, June Arney, Florence Stein, Pearl Isenstein and Gwyn Price.

The accompanists were Mrs. G. P. Taylor, Donna Desson, Shirley Walker, Jean Draper and Mr. Maurice Gill.

—Margery Gorrill.

Dances

Holiday Hop (6), December 22nd—

The first dance of the year was attended by a large crowd, Central ex-students being well represented. Fred Boalch and his orchestra (2) provided the music, which was spiced by Gerry Ross, the bass player, singing "Amen".

Analecta Shag (4), February 19th—

This after-four dance officially ushered in Analecta Week. Although the floor made jitter-bugging dangerous, the large number of students present had a good time. At intermission "Zeke" Grey (3) gave a plug for the Analecta, while the records for the dance were provided by Keith Brown.

Junior Jump, March 12th—

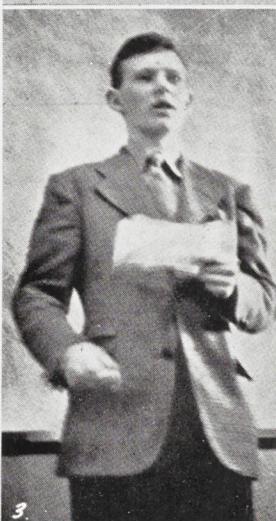

The second 4:00 to 6:00 dance was presented by the Students' Council. The 110 jive-hounds present mixed well and everyone enjoyed themselves (see (1) (5)).

Spring Fling, March 26th—

Although a very small crowd was in attendance at this evening dance, everyone who was present had a good time. Fred Boalch again provided the music. The prize for the spot dance was won by Moira Gore-Hickman and Bill Pullar.

The Graduation Dance, June 4th—

With Art Kemsley acting as M.C. a dance for the graduates was held under the auspices of the Home and School Association. As Jerry Fuller and his orchestra were present, the music was enjoyed by all, especially the Jitterbugs. There were five spot dances. At intermission coffee and doughnuts were served.

Back Row—Bill Kinney, Don Ross, Keith Brown, Cliff Green, Bill Stemp, Lorimer Graham, Ray Selby, Harvey Grey, Ted Duthie, Gordon McLaws, John Lindsay.

Front Row—Murray Tempest, Dick McEwen, Fred Cornett-Ching, Bruce Redmond, Mr. W. G. E. Pulleyblank (Mentor), George Cowan (President), Gus Griffin, Gerry Ross.

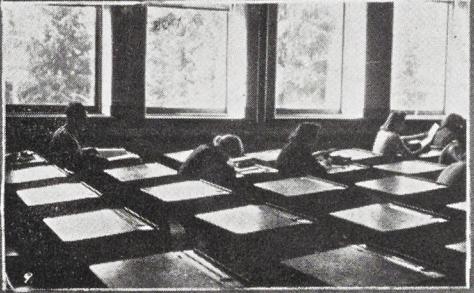

Boys' Hi-Y

The Boys' Hi-Y Club at Central, the oldest in Canada, was organized in 1915 and has been meeting continuously since then. It has tendered valuable services to the school in the past, and has continued to do so this year. The year's activities included the sale of school sweaters, handling the door at dances, finishing a basketball score board, and sponsoring the Track Team.

The club was organized for the year in October and after the election of officers and selection of new members, began a profitable year. Mr. J. W. Churchill gave a talk that has come to be an annual event. This year he spoke on "Democracy and the Decimal Point". Other programme highlights included a talk by Captain Dave Corswell, the second Battalion Calgary Highlanders (R). A talk by Gus Griffin, and a debate on the pros and cons of co-education between Bill Stemp and Don Ross, and Cliff Green and Gerry Ross was also presented. Members of the Central Club took the leading part in the Provincial Conference held at Edmonton in February. The annual banquet and show concluded another successful year.

An induction ceremony was held in the auditorium for the twelve new members: Shirley Coombs, Joan Galbraith, Gloria Garrett, Mimi Ingersoll, Jean McFarlane, Shirley Morley, Connie Papworth, Beth Pearson, Joey Philips, Marion Roberts, Marion Robertson, Georgina Yule.

Other activities of the year included a party for the Grade Ten girls and the new girls; an Alumni Tea during the Christmas Holidays; the annual dance, held in the auditorium; a Rummage Sale, sponsored by Gamma Chi; and a dinner party at the home of Miss James. The sale of Christmas Cards was also handled by the Hi-Y.

The City Conference was held this year on November 21, 22. The discussions dealt with "Hi-Y in Wartime". The Conference at Vancouver in March was attended by three representatives from Central.

Current Events Club

In this, the fourth year of the war, when we feel the tide of battle has turned in our favor, there has been no lack of news for the club. All theatres of war have been active and everywhere the United Nations have halted the Axis advance. The climax of the year was seen in the opening of a new front in North Africa by the United Nations, not the "Second Front" as was hoped for, but nevertheless a stepping-stone to victory.

Throughout the year the club listened to the speeches given by members and also the very excellent ones given by two of our teaching staff, Mr. Churchill, who spoke on "Democracy and the Decimal Point" and Mr. Goodwin on "Propaganda". The club itself participated in a number of spirited discussions, the main theme being "Post-War Reconstruction". In February the club contributed \$5.00 to the Aid to Russia Fund.

We wish to thank Miss Hobbs for her help and direction throughout the year.

Activities

The School Orchestra

The C.C.I. Orchestra, under the baton of Miss Mary Makar, has had a most successful year. The School Orchestra has shown great improvement over the foregoing year and it prophesied that during the next few years Central will have one of the better orchestras in Canada. Miss Makar has spent much of her time in instructing the students in both appreciation of music and actual work.

Under Miss Makar's direction are: Bertha Chester, June Arney, Lorna Blondell, Frank Eckersley, Maryon Robertson, Doreen Gowdy, Pat Sheepy, Richard Robinson, Gerry Ross, Joyce Deslandes, Will Manolson, Ben Chetner, Albert Polsky.

Accompanist and Pianist—Shirley McKay.

••

The C.C.I. Choir

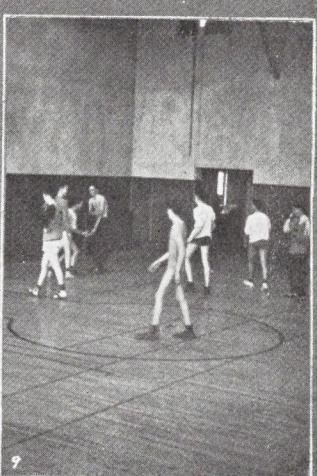

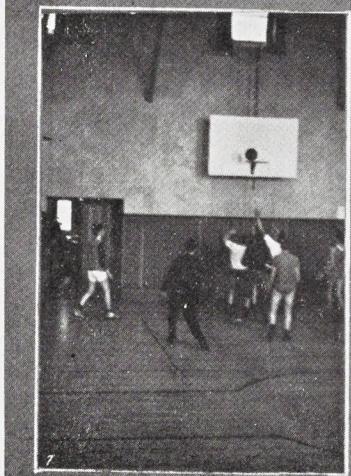

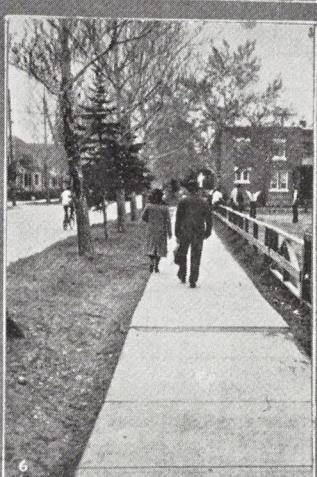

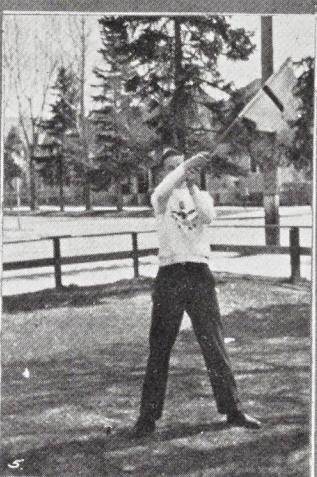

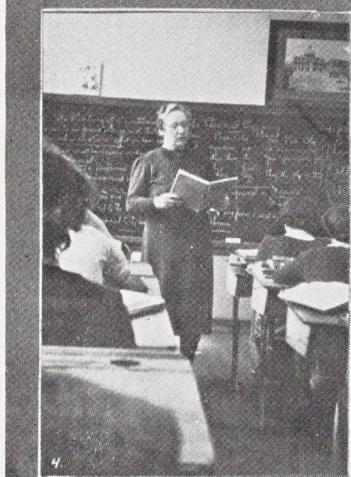

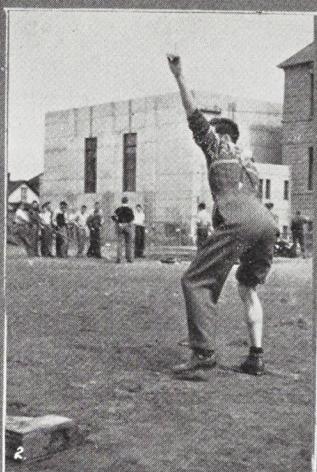

The C.C.I. Choir, under the leadership of Miss Mary Makar, is one of the most important functions of the school. There are over sixty members each contributing her part to make the whole a beautiful example of pure harmony. Much of the music is sung unaccompanied and it is in these numbers that the quality of the choir voices can be noted. The songs are varied, ranging from simple folk songs to excerpts from the classics. Each song is sung with much ease and grace, showing great versatility. The Choir made its first appearance of this term at an assembly and appeared in November collaborating with Western's Choir at Western's Annual Christmas Concert. At the Talent Festival in April the Choir was outstanding, combining with the Orchestra in one of the numbers. At the Calgary School Music Demonstration, Central received much praise for its good work. The Choir will be present at the Graduation Exercises to be held in June.

••

The Home and School Association

The year just ended was, if not the best, one of the very best in the history of the Association under the guidance of its President, Mrs. Miles Robinson and her able executive.

The main projects have been the Scholarship, Honor Roll, and Graduation Dance, the latter under the convenership of Mrs. T. W. Cuyler. Funds to cover these have been well taken care of by a substantial paid-up membership, and two bridges, one a social evening for parents, and the other a pleasant afternoon in the Union Milk Auditorium with a helpful talk by their dietitian as well. Mr. Weir, Mr. Pulleyblank and Mr. Churchill have added to the interest of General Meetings by their discussions on various subjects. 471 questionnaires prepared under the Principal's supervision were sent out to the parents in February. An especially enjoyable evening was supplied by Miss Kaulbach's Dramatic Class and The Foothills Club when they each presented a play. At this meeting the \$50.00 Scholarship and framed Certificate were presented to the winner, Ralph Johnson. For Parents' Night in April, a very pleasing and colorful programme was presented by members of The Canadian Ukrainian Youth Organization in their native costume.

Gamma Phi

Gamma Phi, the co-ordinating Council of Calgary Senior Hi-Y Clubs, functioned this year under the guidance of a central delegation far outnumbering that of other schools. Because of the defunct condition of the Central Y Hi-Y Club, about one-half of the club is made up of Central Y Hi-Y members.

Officers for the year were:

President G. Cowan (Central), J. Choppen (Western)
Vice-President Bill Stemp (Central)
Secretary G. Cowan (Central), Zeke Grey (Central)
Treasurer B. Scott (Crescent)
Corresponding Secretary
Bill Muir (Central), Bob Newcombe (Western)

This year the club's activities were confined more to their own program. Many interesting speakers came down to the Y to speak on such varied topics as "Comparative Religion" and different vocations. Once again the sex-lecture by Dr. Scarlett was a worthwhile venture.

Central members of the Gamma Phi were: G. Cowan, B. Stemp, H. Grey, B. Muir, G. Griffin, D. Donaldson and D. Ross.

Gamma Chi

Gamma Chi has completed its second successful year. Its primary purpose is to co-ordinate the affairs of the Calgary Girls' Hi-Y Clubs.

Executive:

President Shirley Patterson (Central)
Vice-President Barbara Reid (Western Jr.)
Secretary Jean Willox (Central)
Treasurer Doreen McDonald (Crescent Sr.)
Corresponding Secretary Joan Galbraith (Central)

Late in November a city-wide Hi-Y Conference with the theme "Hi-Y in Wartime" was sponsored by Gamma Chi.

A Rummage Sale was held in order to raise money to send two delegates to the Regional Conference at Vancouver. Shirley Patterson and Doreen McDonald were the delegates chosen.

A series of lectures given by Dr. Barbara Humphries rounded out the club's activities for the year.

Eta Beta Pi

Motto—Ex Unitis Vires.

Colors—Green, Gold, Sky Blue.

The Eta Beta Pi Fraternity, inaugurated in 1937, has this year become a chartered Fraternity, thus climaxing six years of steady growth.

The Fraternity inducted eight new members during the year. Don Ross, Dick McEwen, Jack Smith, Keith Brown, and Ray Tharpe in the fall, and Dave Chevalier, Wilf Baker and Jack Carmichael at an Induction Banquet in January.

The Third Annual Pi Pow-Wow held at the Rendezvous, was again the social highlight of the year. Encouraged by this success, the brethren planned something new in dance entertainment. Aptly named "Foo", it featured a number of crazy gags, "A Tux Took Off", free shave in mid-floor, bunnies and fish as spot prizes. The acclaim has been so great that the Fraternity plans to make this dance an annual affair.

The Fraternity, strong in its theme that a Frat's main function is social, continued its monthly parties. House parties were held at the homes of Gemmell, McEwen, Brown and Grey; the boys journeyed en masse to Shangri-La, and Sandy Beach was the scene of pre-ration food festival. Two banquets, the first an Alumni Re-Union held at the Wales, and the second an Induction Banquet held at the York, were strictly stag, all night affairs.

The Executive:

President	Bill Stemp
Vice-President	Harvey Grey
Secretary	Bob Page
Treasurer	Fred Wilkin

Members: Jack Gemmell, Ray Benjamin, Cecil Keeping, Don Ross, Keith Brown, Jack Smith, Ray Tharpe, Jack Carmichael, Dave Chevalier, Wilf Baker, Dick McEwen.

Bob Cope—
A big help in the Senior rugby team. A member of the Eta Beta Pi. Bob is trying to show some of the boys how to be soldiers, as a sergeant instructor.

Doug. Greenfield—
A Moose Jaw product, from whom we don't know.

Kappa Kappa Tau

This Fraternity, the oldest at Central, is celebrating its seventeenth anniversary this year. The club is composed entirely of students and ex-students of C.C.I. and from the first, C.C.I. interests have been the interests of the K.K.T.

Every year the club inducts new members, the eight this year being Doug. Brown, Jack Butchart, Jack Edworthy, Gordon Guthrie, Bill Kinney, Bill Parker, Dave Tomlinson, and Bill Tynan.

The club's activities throughout the year have been varied. The undertakings were two hay rides; a successful dance, the "Rendezvous Soiree" on December 11; a Christmas Theatre Party; a House Party and a Rummage Sale.

The Seventh Anniversary was celebrated in March with a Banquet at the York Hotel, followed by a jam session at Pullar's.

At the last meeting, the Frat. brothers presented the Treasurer, Alex Mair, with a copy of the well-known epic of Bill Shakespeare, "The Merchant of Venice", bound in vellum and embossed by the monks of the Stansbronchende Monastery, with the parts of Shylock underlined in magneta and mauve.

Eight new members were initiated in the fall of the ninth year of the Kappa Zi: Betty Fairbairn, Gwen MacDonald, Beverley Kirby, Marilyn Bouck, Lois Porter, Frances Waddell, Georgina Lunn, Sharon Sprung.

During this year the Sorority has been very busy, both with war work and social activities.

We started in the fall by holding two rushing parties at the homes of Jean Mair and Lois Hill. After having chosen eight new members, a final initiation ceremony took place at the home of Norma Hill. Early in November we held a raffle on a Shetland Sweater (for a girl) or a ski sweater (for a boy). The proceeds went to the Aid to Russia Fund. A benefit tea was held at Frances Waddell's early in December, and the money was used for a party for the pre-school children at the Salvation Army Home. We purchased ice cream and cookies and bought a favor for every guest.

A Christmas Party was held for the new members at the home of Marilyn Bouck. During the Christmas holidays Betty Jean Ingraham, a member who is attending school down east, was entertained at the home of Kathryn Porter. In December also, a banquet was held at the York Hotel where the President presented the new members with their pins.

In January our biggest project was our Annual Dance which was held at the Rendezvous, but due to extremely cold weather, the proceeds were small.

During February we had a very successful Rummage Sale and with the proceeds donated \$30 to the Aid to Russia Fund. Then later on in the month we had our Second Annual Punch Party at the home of Jean Mair. The proceeds of this helped to pay for our Ninth Anniversary Party. This party was held February 29th. It was a formal and was attended by the Sorority girls and their friends.

In March we held a raffle on a \$10 Merchandise Certificate at Birks. The proceeds went to the Aid to China Fund.

We started doing canteen work out at the Salvation Army Hut at Currie Barracks. One week of every month was given to this war work.

This just about sums up our activities for the year of 1942-43. For the Zi's it has been very interesting and busy. In the closing of this school year the Kappa Zi Sorority wishes to extend best wishes to the graduates of this year and wish them every success in the future.

UTOPIAN DREAM or "It Can't Happen Here".

You needn't hand your homework in
(The teacher's voice was gentle)
I know you got in late last night,
But I'm not temperamental.
You've worked so hard all through the year
I know exams won't faze you,
Your work has been on such a par
I cannot help but praise you.
They all dug in to study then
With interest keen and vigor
To concentrate and calculate,
To integrate and figure.
Deep silence reigned, much work was done
By every boy and girlie
They knew if all went well they'd be
Let out an hour early.
He heard his mother calling him
"Now hurry, you'll be late."
I must have been asleep, he thought,
My gosh, it's almost eight!
Gee, mom, I had the swellest dream,
It was almost like heaven.
I might have known it couldn't be
In Central's Grade Eleven.

Sports

Junior Basketball

The first basketball championship in the history of Central was brought to this school this year by a well-balanced, hard-fighting aggregation of junior hoop talent.

Although the team was well-balanced, certain players were evidently brilliant. These included George Morrison and Alan Armstrong, and also Bill Kinney and Ted Wilkins, who were lost to their team when they sustained injuries during the season. However, Wilkins returned to the lineup for the final series.

To begin league play they were matched again Western Argos. At half-time our boys were in front, 10-3, and in the final chapter held on to their lead to come out on the long end of a 19-16 score. Parker led the scoring with 5 points.

Their next game was also close. Trailing at the end of the first half, 18-9, they came back strong in the final half but failed to tie it up. The final score was Crescent 26, Central 22, with Kinney high scorer, getting 9 points.

Against the Western Bronks, Morrison led his team to a 26-14 triumph gaining 7 points himself.

In their return match with Western Bronks they managed to eke out a 22-21 victory with Tomlinson getting 6 points.

The Central squad was next slated to meet Crescent and behind the high scoring of Alan Armstrong, they trounced the North Hill boys 36-28, Armstrong accounting for 17 points.

Their last league game was against Western Argos, to whom they dropped a 19-16 decision. Morrison and Brown led the Central team with 3 points each.

As three of the teams were now tied, it was decided to play a round-robin tournament, each team meeting the others once on a neutral floor.

It was here that Central shone. Playing combination ball they trounced their Western opposition 33-25 with Morrison leading the attack with 7 points.

At Central, Crescent beat Western 33-28 and at Western, Central routed Crescent 33-12 thus copping the city title.

These boys deserve a great deal of credit as they not only played great basketball but showed a great deal of fight which is a characteristic of all Central teams.

High scorer of the junior squad was Alan Armstrong, who collected 33 points during the season.

Back Row—Alan Armstrong, Gordon Hogarth, Mr. F. D. Weir (Principal), Dave Tomlinson, Mr. L. Goodwin (Coach), Bill Pullar, Russell Powell.

Front Row—Bill Toole, Bill Kinney, George Morrison, Ted Wilkins, Bill Parker, Bob Watson.

Biographies of our Champs

Armstrong—Forward—Al collected many points from rebounds. He was the league's high scorer.

Brown—Guard—A tall guard who could be counted on when the going was tough. He was particularly brilliant on rebounds.

Hogarth—Centre—A very tall player who was valuable in retrieving rebounds from both backboards.

Kinney—Forward—A small high-gearred player who set up many good plays and scored plenty of baskets.

Morrison—Forward—George was our floor captain this year. He got many valuable baskets and is a good back checker.

Parker—Centre—Bill is one of the cleanest players in the league and a hard working centre both offensively and defensively. A high scorer.

Powell—Guard—Huss used his height to advantage to part the twine many times for C.C.I.

Pullar—Guard—A rugged, hard checking player who smothered many opposing plays.

Tomlinson—Guard—A hard working guard who got some decisive baskets for Central.

Toole—Guard—Bill proved himself a shark on both long and short shots. He was also a good back checker.

Watson—Forward—Bob showed accuracy in shooting whenever he got a clear shot.

Wilkins—Forward—Although Ted missed the first games he proved a true leader in the play-offs with his play making and consistent shooting.

Back Row—Murray Tempest, Jack Rodney, Mr. Goodwin (Coach), Doug. Brown, Ronnie Robinson.

Front Row—Jack Butchart, Harry Hobbs, Jack Munson.

Missing—Alan Bingham, Fred Wilkin, Don Webber.

Senior Interscholastic

The Senior Interscholastic Basketball team, led by Harry Hobbs, Fred Wilkin, Murray Tempest and Alan Bingham, and coached by Mr. Goodwin, managed to come out on the third rung after the finish of the regular league play, thus missing a playoff berth. However, they remained a dangerous threat throughout the entire series. Their main fault was that they held early leads and then relinquished them during the latter halves. Their closest game of the season was at Western when they were defeated 23-22.

Summary of Games:

1. Central 17, Crescent 33.
2. Central 33, Crescent B 12.
3. Central 17, Western 32.
4. Central 25, Crescent A 37.
5. Central 27, Crescent B 17.
6. Central 22, Western 23.

The winner of the City Championship was Crescent Heights. They defeated Western on their home floor in a sudden death playoff series.

During the season the Seniors took the Junior Sextet in a two-game series. The seniors took the first tilt by a score of 25-17, but the junior champions gained revenge by defeating them 33-20.

Back Row—Mr. L. Goodwin, Ted Wilkins, Dave Freeze, Alan Bray, Bob Harrison, Bill Toole, Murray Tempest, Bill Kinney, Mr. S. Jones.

Middle Row—Norm McKinley, Ken Brown, Bob Petley, Albert Polsky, Gerry Fasman, Bill Parker.

Front Row—Bob Anderson, Bruce Redmond, Art Doolan, Jack Carmichel, Bill Ward.

Intermediate Rugby

After a one year absence, rugby has finally returned to Central. Although no championships were won, the boys proved themselves to be a threat every time they took to the gridiron.

St. Mary's finally won out in the Intermediate division, but the Purple and Gold never gave up trying. Norm Walsh, Bruce Redmond and Art Doolan were towers of strength on the front wall, while in the backfield Dave Freeze, John Caldwell, Ted Wilkins and Bill Parker showed to great advantage.

Summary of Games:

1. Central 6, St. Mary's 6.
2. Central 21, Western 6.
3. Central 1, St. Mary's 6.
4. Central 3, Crescent 0.
5. Central 6, Western 11.
6. Last Game Postponed.

One reason, not an excuse, which might be given for their failure in winning, was their loss of Bill Parker who suffered a broken collar bone, and Dave Freeze who was ill for the latter part of the season.

Back Row—Mr. L. Goodwin, Bob Harrison, Ben Aseltine, Russell Melby, Doug Brown, Don Webber, Sam Belzberg, Mr. S. Jones.

Middle Row—Garth Windsor, Greg Forsyth, Tom MacGregor, Bob Watson, Harry Tucker, Dave McKillop.

Front Row—Andy Potter, George Morrison, Jack Butchart, Vic Head, Gordon Edwards, Bob Page.

JUNIOR RUGBY

Although no honours were copped by the junior squad, a great deal of credit is due to them for their unceasing fight. However, next year they will have many experienced players on which to build a championship team. However it was not a matter of the Central team being inferior as they had all the marks of a great rugby team. The absence of breaks and the opposition's last quarter drives spelled defeat for the junior squad.

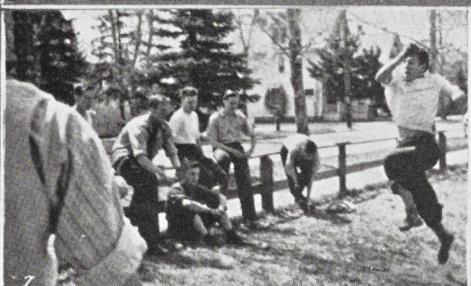

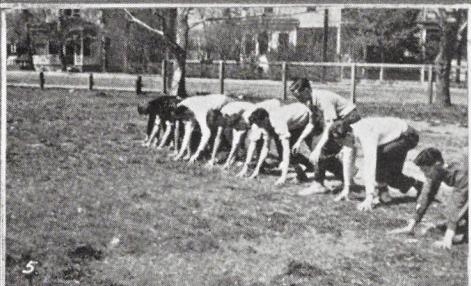

Due to weather conditions the final could not be played, so the championship is now held jointly by Western and Crescent.

Jack Butchart, Don Webber, Bob Page and Doug Brown played brilliant games, and Quarterback George Morrison up to the time he was injured also showed great form.

A great deal of credit is due to Mr. Goodwin and Bob Harrison, both of whom did great jobs at coaching.

Summary of Games:

1. Central 8, Western 5.
2. Central 0, Crescent 2.
3. Central 25, St. Mary's 11.
4. Central 0, Western 8.
5. Central 26, Crescent 11.
6. Last Game Postponed.

1. Good Place to Sit.
3. Straw Bosses.
5. On Your Mark.
7. Indian War Dance.

2. There's That Man Again.
4. Nice Jump, Ashford.

Girls' Basketball

Under the able direction of Mr. Churchill, the Girls' Basketball has had a successful and an active year. There were, as has been usual, four teams in the House League: Canadiens, Black Hawks, Maple Leafs and Red Wings. Games were started earlier than in some years in order to play some outside teams.

The Red Wings ousted the third place Maple Leafs in the semi-final, winning the right to meet the top team, the Canadiens.

Although the Canadiens were considered the faster team, there was excitement over the finals because the Canadiens had been beaten but once, and that time by the Red Wings at a score of 25 to 11. The Canadiens took the lead for the first quarter but the Red Wings' power play tied the score until the last moments of the game, when the harder playing Canadiens took over to win the Kappa Zi trophy, with a score of 25-19.

A selected team from the league players met the Crescent girls in four games. Although it was hoped to have further inter-school games, this was not possible. Of the four Crescent-Central games, C.C.I. won two, tied one, and lost one.

Although the team was not so confident in the first game with the more experienced Hill-tops, they managed to keep up with them until the last quarter, when Crescent gained a three-point lead to win 16-13. The second game in our own auditorium saw C.C.I. come back to win 12-6. The girls were kept to a hard game in the third encounter and just managed the 16-16 count. The final game was the fastest of the series and although the two teams were very evenly matched, Central took the game by a score of 27-24.

Teams and Players of the House League:

Canadiens: Maryon Robertson (Captain), Audrey Jean Oliver, Bernice Dubensky, Gwen McDonald, Marion Roberts, Sharon Sprung, Jean McKay.

Black Hawks: Irene Newcombe (Captain), Jean Jamieson, Mildred Shouldice, Yvonne McLaren, Jerry Setterington, Betty Thompson, Isabel Griffith, Vivian Canfield, Kay Jamieson.

Maple Leafs: Lillian Lackman (Captain), Ethel Keeping, Mae Dobson, Pat Sheepy, Mary Philp, Georgina Switzer, Sara McMullen, Laurel Moore.

Red Wings: Virginia McFarlane (Captain), Polly Smith, Iris McFarlane, Evelyn Taylor, Grace Horn, Doris Smolensky, Norma Roberts, Gloria Peterson.

Top scorer was Georgina Switzer with 49 points, closely followed by Virginia McFarlane with 47; Bernice Dubensky, 42; Yvonne McLaren, 31; Mae Dobson, 28.

Back Row—Bud Sherman, Garth Windsor.
Front Row—Bob Petley, Alan Bray, Jim Pon.

Junior House League

It was Alan Bray's quintet which carried off the honours in the junior division. After the finish of the regular season, Aseltine held first place while Bray and Page battled it out for second position with Butchart closely behind them.

Here were their respective positions:

	W	L	T	Pts.
Aseltine	9	1	0	18
Bray	6	4	0	12
Page	6	4	0	12
Butchart	5	5	0	10
Polsky	3	7	0	6
Selock	1	9	0	2

In the play-offs, Aseltine eliminated Butchart by the score of 33-17; and Alan Bray came out on top over Page's aggregation, 26-24.

When the finals rolled around it was Bray meeting the highly favored Aseltine squad, but Bray's team turned in a sterling performance to down the league-leaders by a score of 18-13, thus winning the Ice Cream Can Trophy, emblematic of the Junior Championship.

A great deal of credit must be given to Captain Alan Bray and his team-mates for, despite heavy odds against them, they fought every inch of the way to attain the championship.

Back Row—Ronald Robinson, Alan Armstrong, Bruce Redmond.
Front Row—Murray Tempest, Bill Kinney, Gerald Fasman

Senior House League

The House League Basketball Team held a very successful year with Bill Kinney's sextet taking the honours in the senior division, and Alan Bray's team capturing the Ice Cream Can Trophy, emblematic of the Junior championship.

The executive elected for the year were:

President	Harry Hobbs
Vice-President	Jack Tempest
Secretary	Bill Kinney

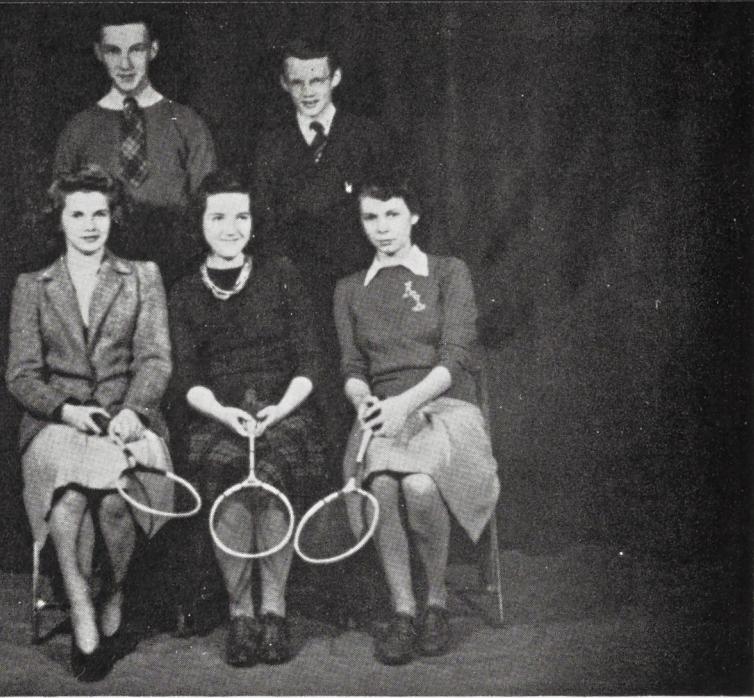

In the senior loop Bill Kinney's squad held the lead at the end of the regular season, with only one defeat.

	W	L	T	Pts.
Kinney	9	1	0	18
Tempest	8	2	0	16
Hobbs	7	3	0	14
Bingham	3	7	0	6
Parker	2	8	0	4
Muir	1	9	0	2

In the playoffs Kinney severely trounced Bingham, and in overtime Tempest defeated Hobbs 17-16.

A great deal of credit must be given to George Morrison who took control of the team in the absence of Jack Tempest. Jack's absence was keenly felt.

In the final, however, Kinney's aggregation were too strong for Tempest's stalwarts and they were beaten 21-18. Thus Bill Kinney and his teammates justly won the Osborne Trophy.

Back Row—Harold Raymond, Bob Watson.
Front Row—Betty Moore, Lenore King, Francis Waddell.

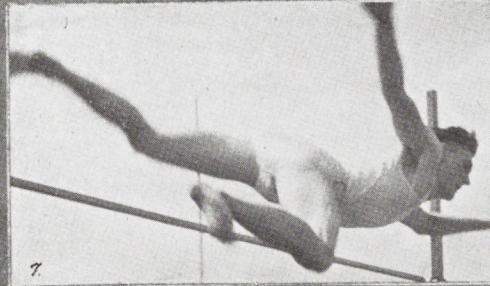

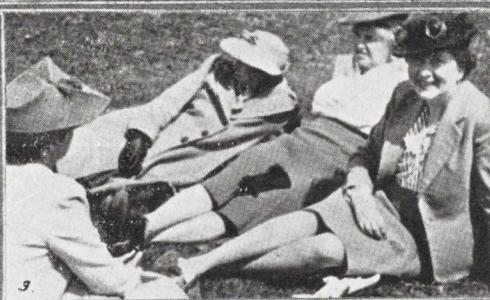

The Badminton Club

The Shuttlers, although with fewer of the more experienced players than in other years, have had a successful season. Smaller membership enabled everyone to play more games.

President	Harold Raymond
Vice-President	Lenore King
Secretary	Bill Muir
Treasurer	George Horne

Members: Girls—D. Cohen, K. Collins, P. Denholm, P. Foley, P. Dexter, L. Glen, L. Hill, M. Goodchild, V. Johnston, L. King, C. McAdam, F. McBain, B. MacGregor, S. Patterson, S. Pearlman, B. Smyth, J. The Inter-School event was held on March 4th at the Glencoe Club. Four teams were entered from each of the three High Schools. The C.C.I. team members were: Dee Raymond and Lenore King, Les Pulus and Frances Waddell, Bob Watson and Helen Thompson, Ray Benjamin and Betty Moore. The Trophy, which Central has held for five years, was won by Western who had a total of 54 points. C.C.I. made 44 and Crescent 2.

For Freedom

"Brothers in Arms! Together now we face
With firm-clasped hands Freedom's remorseless foe.
Across our world he strides, each pitiless pace
Marking a bloody trail of death and woe . . .
Across that trail together, you and we
Now stand and shall stand firmly to the end,
Until this world from tyranny be free
And every man shall call his neighbour friend."

Cadets

The Central High School Corps.

The Central High School Cadet Corps started this year late in October, with ninety-two names on the nominal role. Mr. Goodwin and Sgt.-Major (I.C.) Tillisch were in charge of the Cadets. On November 8th the Corps of Calgary paraded at the Armouries where they were shown a display of weapons, varying from rifles and revolvers to large pieces of artillery.

The R.C.A.C.

Late in November it was announced in London that King George had granted the Canadian Army Cadets the title "Royal" and had consented to become their Colonel-in-Chief. Henceforth they were to be known as the Royal Canadian Army Cadets (R.C.A.C.).

Uniforms.

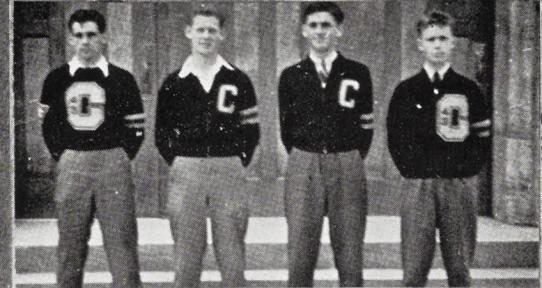

On December 11th the Corps again paraded to the Armouries and were inspected by Colonel Grier, Director-General of the Cadets. He addressed the Corps on the subject of uniforms, describing them and promising early delivery, a promise that was not kept.

The Rifle Team.

Throughout the winter, training was carried on, but the average attendance dropped to about thirty-five and the nominal role to about sixty-five. In February officers and N.C.O.'s were appointed. A rifle team with Tom Harris instructing competed for the 14th (R) Army Tank Regiment Cup, but came in a close second to Crescent Heights Corps.

Cadet Equipment.

In April, Colonel Grier again inspected the several Corps of the Calgary District, at Mewata Stadium. He described, in a speech after the inspection, the new Cadet equipment, including rifles, that was being manufactured.

Clouds

I've danced on wondrous wings aloft,
Amidst the silent spires
Of towering, temptuous clouds,
Agleam with the dawn's ethereal fires,
And followed my shadow
In lively chase,
Through vaporous valleys
Of murky space,
Then reluctant—returned once more
To the world of earthbound men below.

—Jack Rodney.

••

A general in Africa wished to inspect his front line trenches one night so he got in his car and rode as far as he could. After walking a short distance through the dark he found a captain of infantry.

"I wish to examine your trenches," he explained. "Right, sir," the captain answered. "I'll get a guide and we'll have a look." The guide was a private soldier who came back, looking very muddy and rather scared. The captain said to him, "We want you to lead us through some of the trenches."

The private whispered "Follow me."

The captain whispered to the general, "Follow me."

And the general whispered to the captain, "Go ahead."

And the captain whispered to the private, "Go ahead."

Well, they went ahead single file through a few hundred yards of narrow trenches. Then the guide stopped, whispering:

"There's a mess of mud up forward. Do you want to go on?"

So the captain whispered to the general, "There's a mess of mud up forward. Do you want to go on?"

And the general whispered to the captain, "Never mind the mud up forward, let's go on."

And the captain whispered to the private, "Never mind the mud up forward, let's go on."

So they went on for five minutes more. Finally, the private stopped again and said: "That's everything, sir. That's all there is."

The captain whispered to the general, "That's everything, sir. That's all there is."

And the general whispered to the captain, "Is that the German line over there?"

And the captain whispered to the private, "Is that the German line over there?"

And the private whispered to the captain, "No, that's our own first line. The Germans are over a mile away."

And the captain whispered to the general, "No, that's our own first line. The Germans are about a mile away."

And the general whispered to the captain, "If the Germans are a mile away why do we have to whisper?"

And the captain said to the private, "If the Germans are a mile away why do we have to whisper everything?"

And the private said to the captain, "I'm not whispering, captain. I've just got laryngitis."

Lettlemen

Lettlemen - 1943

As men train themselves in character and efficiency, their aim should not merely be the attainment of position or prospects for themselves, but of the power to do good to other people, for the community. Once they have put themselves in a position to do service to others they have stepped onto the higher rung of the ladder that leads to real success—that is happiness.

I said to a man, who stood at the gate of the year, "Give me a light that I may tread safely into the unknown," and he replied, "Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than the known way."

So I went forth and, finding the hand of God, trod gladly into the light. And He led me towards the hills and the breaking of the day in the lone year.

They Fight To Give You Your Future!

**Will You Be Able To Meet The
Challenge of the Years Ahead?**

Winston Churchill, in his address from London on March 21, 1943, stated:

"The future of the world is left to highly educated races who alone can handle the scientific apparatus necessary for pre-eminence in peace — or survival in war".

The truth of Churchill's statement is self-evident, and just as world leadership accrues to the more highly educated race, leadership within a nation falls to those individuals who have the education for leadership.

Calgary is providing you with all the facilities necessary for the foundations of that higher education leadership demands.
